- It is not about a parade, but it has a parade in it.
- It is about many quilts.
- It may not be springtime; people are wearing coats.
- It is about people and (sometimes) animals.

*The book was about a greedy king and how a kind quiltmaker changed his life. We were surprised to find that the king was a character in the book. We did not predict that by looking at the cover... **Never judge a book by its cover** 😊!*
